Education and Public Health Department.
M A D R A S.

Sir,

(J)

In G. O. No. 103 P. H. dated 16th January 1935, Govern-ment have fixed the strength of L.F.Hospitals and Dispensaries under the District Board. In addition to the staff sanctioned for the L. F. Medical Institutions at Mulki and Manjeshwar, a temporary waterman was entertained for each institution for the reasons explained below.

2. The cook- waterman sanctioned for the L.F. Hospital, Mulki, had to attend the work of a cook and waterman. This was not feasible when there was sufficient water in the well of the hospital compound. But in summer when the well dries up water has to be

got from private wells situated far away from the hospital and as such there was no time for the cook to carry water from distant-- places.

Similar difficulties were also felt at the L.F. Dispensary Manjeshwar, where water had to be conveyed from a long distance -- luring summer . There was no sanctioned post of a cook or waterman at the dispensary.

3. A temporary waterman was therefore engaged on Rs 8/- per -- mensem for the L.F. Hospital at Mulki for two months in 1936-1937-- from 1.4.1936- vide District Board Resolution No 41 dated 25.5.1936 (copy enclosed) and at Manjeshwar on Rs 5/- per mensem for 2½ ---- months from 16.3.1936 - vide District Board Resolution No 43 dated 25.5.1936 (copy enclosed).

4. The temporary waterman was also engaged for the L.F.Hospital at Mulki during 1937- for 2½ months from 1.4.1937 on Rs 8/- per --- mensem vide District Board Resolution No. 35 dated 14.7.1937 (copy enclosed).

5. The District Inspector of Local Fund Accounts South Kanara, in Para 16 of the Audit Report for 1936- 1937 (copy enclosed) requests that sanction of the Government is necessary for such temporary posts. Till then it was not considered necessary to obtain the specific --- sanction of the Goverrment for the employment of such temporary ---- menial staff.

6. In the circumstances explained above, I request that the --- Government may be pleased to sanction the employment of the ------ temporary waterman at the L.F. Medical Institutions at Mulki and Manjeshwar during 1936 and at Mulki in 1937.

Your obedient Servant,

President.

PARA 16 OF THE AUDIT REPORT FOR 1936- 1937.

16. Appointment of temporary waterman- sanction of Government wanting.

In G.O. No. Ms. 103 P.H.dated the 16th January 1935 fixing the strength of hospitals and dispensaries,one cook waterman was sanctioned for the Local Fund Hospital, Mulki,. In addition to this, a temporary waterman's post was sanctioned in District Board Resolution No.41 dated the 25th May 1936 for two months from the 1st April 1936 to the 31st May 1936.

A temporary post for 2½ months from the 16th March 1936 was also sanctioned in District Board's Resolution No.43 dated the 25th May 1936 for Local Fund Dispensary, Manjeshwar. Though such menial establishment the cost of which is met from contingencies does not require the Government's approval such additions nevertheless constitute variations within the meaning of section 67(3) of the Act after the number of such menial establishment was fixed by Government in January 1935 which are not permissible.
